• Traditional Formula
Trusted since 1922, our Essiac traditional formulation has contained a proprietary blend of Burdock Root Extract, Sheep Sorrel Extract, Slippery Elm Bark Extract, and Indian Rhubarb Root Extract, available in a concentrated liquid extract for quick and convenient use.

• Promotes Health and Detoxification Support
Essiac helps normalize the body by aiding in the promotion of effective detoxification of the blood, liver, and lymph nodes. It is formulated with an abundance of powerful antioxidants to promote overall well-being. *

• Perfect for Gentle, Daily Support
Our tea is 100% organic, supports the body's natural cleansing processes and is perfect for balanced daily use. Because tea is a lighter preparation than liquid extracts or capsules, Essiac Tea Bags are recommended for gentle, ongoing use.

• The Only Authentic Essiac
During the early 1920's, nurse Rene Caisse was given the formula by a Canadian Ojibwa Healer. She later prepared her original herbal formula into a drink called Essiac, which is Nurse Caisse's name spelled backwards. She dedicated the remainder of her life to caring for patients with her powerful formula. Essiac offers a time-honored, natural solution to support your body's detoxification process and promote overall health.
